9M 2019 RESULTS

November 15th, 2019

DISCLAIMER

This Presentation neither constitutes nor is part of any sale or subscription offer, or invitation to purchase or subscribe, or sale offer solicitation or subscription, of the shares of Quabit Inmobiliaria, S.A, ("Quabit"), This Presentation, as well as the information included herein, neither constitutes nor is part of (i) any agreement or commitment to purchase or subscribe shares in accordance with the Spanish Securities Market Law (Ley del Mercado de Valores) and applicable regulations or (ii) an offer to purchase, sell or exchange shares or a request of any type of voting rights in the US or any other jurisdiction, The term "Presentation" shall comprise this document and any part or content of this document; any oral presentation, questions and answers session and any written or audio material treated or distributed during any meeting related to the Presentation or related with the Presentation,

The Presentation and the information included herein shall not be reproduced, used, distributed or published, in whole or in part, whatsoever, except for the information extracted from the Presentation and used for the drafting of analyst reports in accordance with the applicable regulations, Failure to comply with this obligation may result in an infringement of the applicable regulations regarding the securities market, and its infringement may lead to civil, administrative or criminal liabilities,

In addition to the information relating to historical events, this Presentation may include future prospects on the sales and results of Quabit and on other matters such as industry, business strategy, objectives and expectations related to market position, future transactions, margins, profitability, capital investments, own resources, and other operational and financial information, Prospects include statements regarding plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements that are not statements about historical events, The words "foresee", "expect", "anticipate", "estimate", "consider", "may", and any other similar expressions may identify or refer to future prospects, Other future prospects may be identified based on the context in which they are made, Future prospects are based on a number of hypothesis and assumptions regarding the current and future business strategy of Quabit, as well as the environment in which Quabit expects to operate in the future, Future prospects include and involve known and unknown risks, uncertainties and other material factors, which may affect the current results and performance of Quabit or the industry, Therefore, the result and actual performance of Quabit may be materially different from those expressed or implied in such prospects, None of the future projections, expectations or prospects included in this Presentation shall be considered as a forecast or promise, Nor it should be understood that future prospects imply any statement, promise or guarantee about the correction or completeness of the results or the assumptions or hypotheses on which the future prospects, expectations, estimates or forecasts are based or, in the case of assumptions, of their inclusion in the Presentation, A number of factors may cause the result, profitability or performance of Quabit to be materially different from any future results, profits or performances included expressly or implicitly in any of the future prospects referred above, In case of materialization of one or more of such risks or uncertainties, or if the assumptions are incorrect, the current results may be materially different from those described, anticipated, expected or projected in the Presentation, Therefore, the recipient of this Presentation should not assume as correct and certain these future prospects and their ability to predict future results,

Analysts, securities agents and investors, current and future, shall operate based on their own criteria regarding the suitability and adequacy of the values in connection with the achievement of their particular objectives, having taken into consideration what is stated in this disclaimer and the public available information, and having received all the professional, legal, or any other type of advice, necessary or convenient in these circumstances, without having relied solely on the information included in the Presentation, The disclosure of this Presentation does not constitute advice or recommendation from Quabit to buy, sell or operate with its shares, Analysts, securities agents and investors should bear in mind that estimates, prospects and forecasts do not guarantee the profitability, performance, result, price, margins, exchange rates and other facts related to Quabit that are subject to risks, uncertainties or other variables that are not under the control of Quabit, so the future results and actual performance could be materially different from what is forecasted, projected and estimated,

The information included in this Presentation, which is not intended to be exhaustive, has not been verified by an independent third party and will not be updated, The information in the Presentation, including future prospects, refers to the date of this document or to such others as expressly indicated in the Presentation and does not imply any guarantee in relation to future results, Quabit expressly waives any obligation or commitment to disclose any update or revision of the information, including financial details and future prospects, In this regard, Quabit shall not distribute to the public any revision that may affect the information included in the Presentation that results from any changes in expectations, facts, conditions or circumstances on which future prospects or any other change on which future prospects or any other change occurred on or after the date of the Presentation,

The details related to the industry, market and competitive position of Quabit included in this Presentation that are not attributed to a specific source, have been obtained from the analysis or estimates carried out by Quabit and have not been independently verified, In addition, the Presentation may include information related to other companies that operate in the same sector and industry, This information derives from public sources and Quabit does not grant any representation or guarantee, expressly or implicitly, nor assumes any liability for the accuracy, integrity or verification of such details,

Certain financial and statistical information included in the Presentation is subject to rounding adjustments, Therefore, any discrepancy between the result and the sum of the amounts reflected is due to such rounding, Some of the financial and operating management indicators included in this Presentation have not been subject to financial audit or verification by an independent third party, In addition, certain figures of the Presentation, which neither have been subject to financial audit, are proforma figures,

Quabit and its employees, executives, directors, advisors, representatives, agents or affiliates do not assume any liability (due to fault or negligence, direct or indirect, contractual or extra-contractual) for the damages and losses that may arise from the use of this Presentation or its content, or that, in any case, are related to this Presentation,

The information included in this Presentation does not constitute legal, accounting, regulatory, tax, financial or any other type of advice, The information has not been prepared taking into consideration the investment, legal, accounting, regulatory, fiscal or financial objectives of the recipients of the information, nor regarding particular needs, circumstances or situations, The recipients are the only ones responsible for forming their own criteria, elections and investment decisions and for reaching their own opinions and conclusions regarding these matters and the market, as well as carrying out an independent evaluation of the information, The recipients are the only responsible for seeking independent professional advice in relation to the information included in the Presentation and any performance based on the information, No person assumes any liability for the information or for the actions or decisions carried out by any receiver or any of its directors, officers, employees, agents or associates based on the information,

Neither this Presentation nor any part thereof has contractual nature, and shall not be used to be a part or constitute an agreement of any kind,

Upon receiving or attending to the Presentation, the recipient declares his conformity and, therefore, his submission to the restrictions referred in the previous paragraphs, as well as to any other that may be applicable,

Financial Debt	277,608	211,749	31%
Others	82,098	54,991	49%
Total Liabilities & Equity	682,544	580,776	18%

Inventories:

- Increase due to investments in Land plots and WIP developments

Cash & Other liquid assets:

- Increase due to new financing transactions

Financial Debt:

- Increase due to investments in Land plots, development loans withdrawals and capitalization of accrued interest

Net Debt: increase due to investment effort...

- 37% net debt increase due to Land and WIP investments
- LTV will be reduced throughout 2020 with the beginning of a relevant volume of deliveries

Debt maturities aligned with Business Plan cash flows

- 63% gross debt is non-recourse debt
- There are not relevant recourse debt maturities until 2022

~ 2,200 WIP and finished stock home units

Optimal sales coverage for 2019 (99%), 2020 (51%)
& 2021 (17%) deliveries

3Q 2019 best pre-sales quarter of the last 4 Quarters
October 2019 best pre-sales month of the last 13 months

Reaching >750 FCC⁽¹⁾ 2019e
(>600 pre-sales at 31.10.19)

Selective & cautious land investments 2019+2020e
(80-90 €M vs. 110-120 €M initially estimated)

Reducing financial costs

Acquisition of Rayet Construction closed in October

Bet on the cooperative segment
(middle-upper class target customer, 746 contacts from 26.10 to 10.11.19)

(1) Final Construction Certificate

Q&A

ANNEXES

Very attractive valuation: GAVe & NAVE at 30.09.19⁽¹⁾

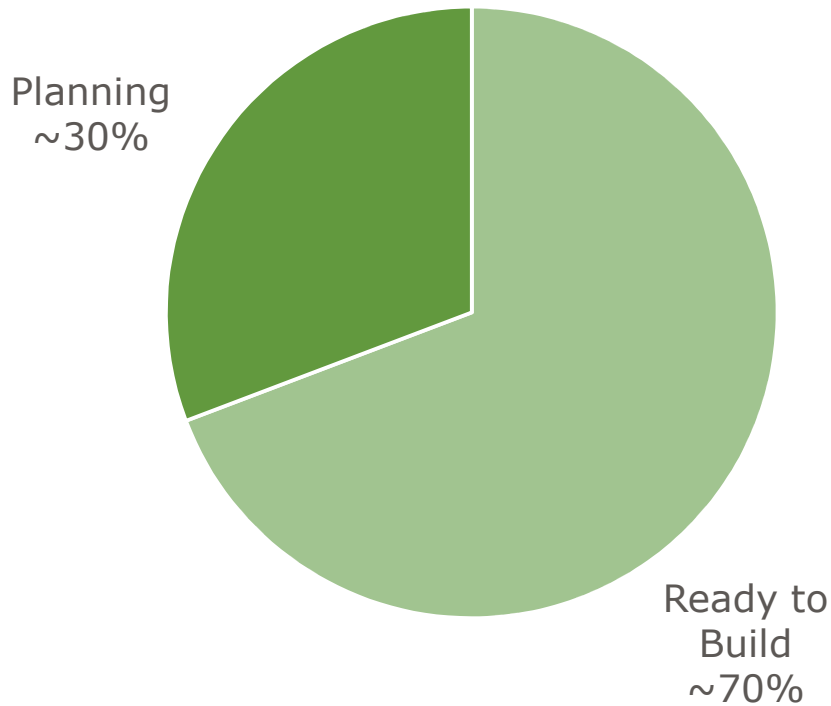

The stock of Quabit is trading at a discount of more than 60% of its NNAV

(1) RICs independent valuation by BDO at 31.12.18.

Very attractive and diversified Land Portfolio

Land Portfolio⁽¹⁾ status at 30.09.19
804,850 bsqm

Land Portfolio⁽¹⁾ geographic breakdown at 30.09.19
804,850 bsqm

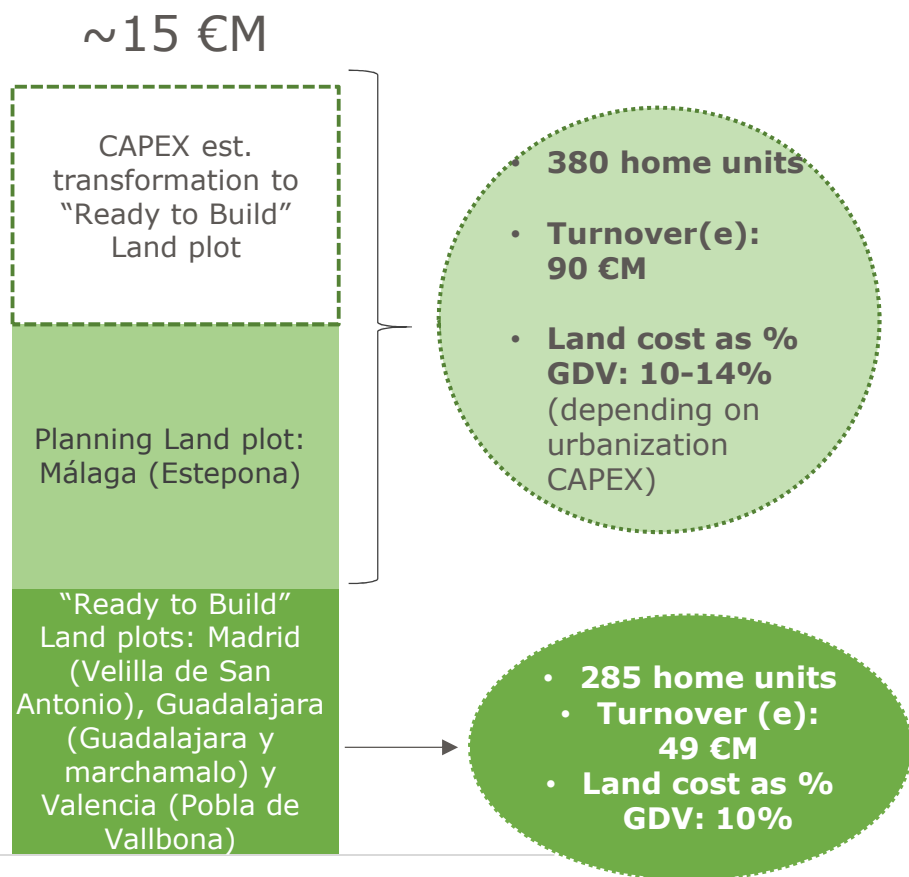

• The land in planning allows its development to obtain "Ready to Build" Land in very competitive conditions

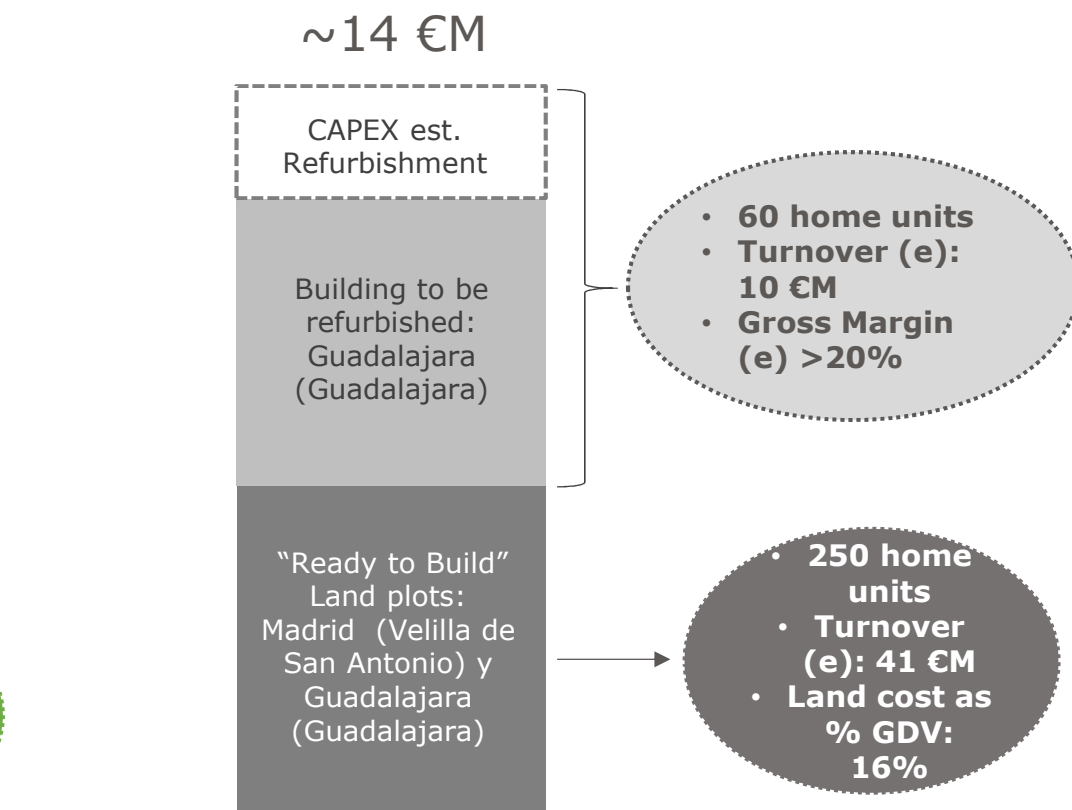

(1) Does not include 62,934 bsqm of land mortgaged as security for Quabit nor 274,371 bsqm WIP nor 32,702 bsqm of private contracts pending notarized public deed nor 5.4 million sqm non buildable land

9M 2019 Investments: reducing land investments needs

9M 2019 investments with notarized public deed
74,221 bsqm

9M 2019 investments with private contract⁽¹⁾
31,343 bsqm

• 2019-2020e land investments for developments with delivery scheduled in 2021-2022 < 90 €M (vs. 110-120 €M initially estimated)

(1) Pending notarized public deed

Reducing financial costs on new debt issued

Debt: financial cost evolution (Dec 2016-Sept 2019)

- 26% gross debt of Quabit has a cost of 0% (SAREB)

Rayet Construcción Acquisition

Quabit has agreed the acquisition of 82.95% of Constructora Rayet Construcción to its two main partners

Transaction has been supported by Due Diligence & "Fairness Opinion"

Strategic Rational:

- **Ensure** the minimum **construction periods** necessary to achieve the deliveries set out in the Plan.
- **Ensure the minimum possible impact of construction cost inflation** derived from the supply restriction.
- Advance in the process of industrialization of the construction process through the standardization of materials and processes with the consequent cost reduction.

Financial Terms:

- **Price:** 14,368,873 euros
- **Payment:** 9,042,704 euros (due to set-off of certain amounts owed by the sellers)
 - **Cash:** 2,712,812 euros
 - **Quabit Stock:** 3,164,946 Quabit shares valued for exchange purposes at 2.00€/sh.

Included within Quabit Consolidation scope from 4Q 2019 onwards

Tax Credits⁽¹⁾

(1) Does not include 9M 2019 tax-loss carryforwards

(2) Administrative contentious with the Public Treasury could reduce by 141 €M the total tax-loss carryforward, thus Quabit Inmobliaria S.A. tax credits could be reduced by 35 €M
